

Listen To Find The Picture

Print, cut out, and show your child a few pictures at a time. Ask your little one to find the picture of the /f/-/ish/, the /c/-/at/, the /d/-/og/ and so on (saying the first sound and then the rest of the word). Praise your child each time he/she guesses right. Each time he/she guesses wrong say "No, but that was good thinking. Listen and Guess again!"
