

Mrs. Clays,

Dear

With all the mail Santa gets, we thought you might like a letter too.

Thank you for taking care of Santa and the elves. And thank you for helping him get ready for Christmas.

Look on the back... I drew a picture for your fridge at the North Pole!

Merry Christmas,

PS. If you have a chance, can you ask Santa if he got my letter?

Mrs. Claus,

Dear

Merry Christmas,
